## THE STORY OF RUM BULLIONS

Legend has it that Silver Legacy's founder, **SAM FAIRCHILD** was one of the richest Silver Barons in the history of the Comstock. Sam was also an avid traveler and loved the island paradises of the Caribbean. One day, after a long afternoon of fishing with "Ernie," a local writer Sam met on the beach, Ernie insisted that they stop for a drink at his favorite bar. **"IT'S A GREAT SPOT," ERNIE TOLD HIM. "IT'S ACTUALLY A RUM DISTILLERY THAT ONLY THE LOCALS KNOW ABOUT."** The evening quickly turned into the wee hours of the morning, as the distillery owner treated Ernie and Sam to sample after sample of world-class rum. As Sam walked back to his hotel the next morning, he knew he wanted to share the intoxicating magic of the distillery with friends and family back home, so **RUM BULLIONS CAME TO BE.**

\*All prices include Nevada State sales tax. Plus an additional 10% entertainment tax will apply during entertainment periods.
